Is there a side project you would like to work on while you are participating in the Convergence? Please include how many artists, their specialties, and any materials you will need. Each Side Project is generally given eight hours of rehearsal.

Do you have teaching experience? Please give a brief explanation.

Please write a short description of a workshop you would like to teach or an exploration you would like to lead. All workshops should be 45 to 90 minutes in length. They will be open to all members of the community and all Convergencers. Please suggest an introductory topic appropriate for workshop participants with little or no previous experience in your field.

Are you bringing a car with you? Yes___ No___

Are you willing to help us carpool? Yes___ No___

Are you willing to drive someone else's car if they have 3rd-party insurance? Yes___ No___

If you live in Indianapolis, please skip rest of the questions.

The Indy Convergence houses its participants in the homes of Indianapolis community members. They are not being paid, and it is one of our highest priorities to make sure that living arrangements are a pleasant experience for both parties. Please understand that while do not anticipate any issues, if a participant loses their housing for any reason, we may not be able to secure new housing. Please err on the side of telling us more than telling us less.

Do you have any allergies, fears, apathies to animals?

Do you have any physical requirements for your living space?
(No stairs, need outlet close to bed etc.)

Do you have any ongoing health conditions, physical disabilities, or mental or emotional conditions?

Are there any other ongoing issues we should know about?
(Quirks, strong likes or dislikes, allergies, fears, past issues or conditions that could resurface in a stressful or unfamiliar situation)
